

ROLL-UP SIGN **BLOW OUT SALE**

Alert motorists to construction ahead with temporary warning signs.

- Temporary traffic control sign complies with NCHRP Crash-worthy Standards.
- Fiberglass cross braces keep signs taut, but bend in the wind.
- Roll up sign will not cause damage if struck.
- Sign rolls out for portability and easy storage.
- Temporary road sign comes in 36" h x 36" w and 48" x 48".
- Choose from non-reflective mesh for daytime or reflective fluorescent for optimal visibility in the dark.
- Polycarbonate corner pockets resist tears and snap easily into adjustable stand or rubber base stand.
- Use adjustable stands or the rubber base stand with the roll-up sign and meet NCHRP 350 requirements. Various models of stands available.
